## Silence and beach

A week in the style of Taizé on the  
Flensburg Fjord

July 27–August 3, 2025

A week for teenagers and young adults (15-35 years).  
A week to encounter yourself, others and God.  
Get out for once - come to rest for once.

For the first time, the Kirchberg in Neukirchen invites you to a special week in the style of Taizé: celebrate services together, have fun and get to know people from different regions.

Meetings, discussions about the Bible and three services a day with typical Taizé songs and silence await us. The Kirchberg in Neukirchen with its church and beach is located directly on the Flensburg Fjord.
